

SIT/STAND PU

Smart Ergonomic Workspace Solutions

Industrial Beauty

As the name implies, the Sit-Stand Polyurethane (PU) operator stool is ideal for those people who just need a little bit of support before moving on to their next task, whether this be in the office, laboratory, production line or workshop. With its black integral skin polyurethane seat, the Sit-Stand is very easy to clean and ideal in all environments where cleanliness is imperative, or grease and oil are just part of the job! Whatever the height of your workstation, the Sit-Stand can be customised to the correct height. With a built-in clutch handle and weighing in at a mere 6kg, the Sit-Stand easily accompanies you on your next task.

Features:

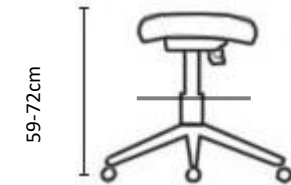

- Black Integral Skin Polyurethane foam seat with clutch-handle for easy movement.
- Easy to clean.
- Selection of bases, viz. Black Nylon 5-star, Polished Aluminium 5-star or Black Round Nylon. The 5-star bases are fitted with glides.
- Karo's unique rigid **NUGEN** footring with durable chrome outer-ring and nylon support structure.
- Various seat heights, Standard = Min 49cm, Max 62cm, with Draughting Footring = Min 59cm, Max 72cm.
- 2 Year Warranty.
